Work Experience

Brand Representative, Citrus Organisation Limited:

- Promoted a government-funded cavity wall insulation scheme through direct, door-to-door sales
- Communicated benefits clearly to homeowners, building rapport and addressing concerns
- Contributed to public awareness of energy efficiency initiatives
- Developed effective strategies to reach KPIs and manage territory well

Factory Worker, Baum Trading Ltd:

- Assisted in key operational tasks within a busy clothing factory environment
- Sourced, sorted, and packaged clothes for distribution
- Worked in coordination with other staff to ensure smooth operation

Technical Skills

Programming languages: Proficient in Python, Java, C, Assembler, Erlang, JavaScript, PHP, SQL, CSS.

Development Practices: Familiarity with design patterns, SOLID principles, object-oriented programming, and writing clean, maintainable code.

Project Frameworks: Knowledge of team and management methodologies, including UCD, Agile, Waterfall, Scrum, and Extreme Programming.

Operating Systems: Experience with both Windows and Linux platforms.

Digital Creativity: Self-trained in photo editing using professional software and creating pixel art.

Office Skills: Proficient in Microsoft Excel, PowerPoint, Word, and Teams. Average typing speed of 71wpm.

Extracurricular Activities

Brazilian Jiu Jitsu hobbyist: I practice this sport to compete with others and have fun with friends, as well as to keep physically fit.

Gaming hobbyist: I enjoy video gaming as a means of relaxation, and as an outlet for creativity and competitiveness.

Former Debate club member: Participated in weekly sessions of the Debate Club at Holy Cross College, enhancing public speaking and critical communication skills while engaging in structured discourse.

Former student council representative: Served as a member of the student council in my high schools for three years, developing leadership, management, and innovative problem-solving abilities through discussions with other students.
